Highway 30: Major maintenance work from
Night of September 12th to September 13th, 2021
Madeleine-Parent Bridge Eastbound in Beauharnois

Salaberry-de-Valleyfield, September 9, 2021- A30 Express informs users that major maintenance work will be performed on the Madeleine-Parent Bridge in the Eastbound direction (Beauharnois-Salaberry RCM) during the night of September 12th to September 13th, 2021, resulting in an important disturbance to traffic. It should be noted this work will only be carried out in case of favorable weather conditions and if not, it will be postponed to a future date.

A30 Express encourages users to be aware of the various road closures and restrictions as well as the detour roads implemented for the occasion (see map below) to plan their travel during this period.

- **Sunday, September 12th to Monday, September 13th, 2021, night works from 8 p.m. to 6 a.m.**
 - **Complete closure of the Madeleine-Parent Bridge in the Eastbound direction.** The Highway-30 Eastbound will be completely closed between Exit 13 (interchange with A-530) and Exit 22 (R-236).

The detour road for cars will be via the R-132 road. Users will be directed to Exit 9 of A-530 (Pie XII Boulevard in Salaberry-de-Valleyfield), then onto R-132 to R-236 and back onto Highway-30 East at km 22.

The detour road for trucks will be via Pie XII Boulevard, St.Louis-de-Gonzague Bridge and R-236. Users will be directed to Exit 9 of the A-530 (Pie XII Boulevard in Salaberry-de-Valleyfield), then onto Pie XII Boulevard southwards crossing the St.Louis-de-Gonzague Bridge, then onto R-236 and back onto Highway-30 East at km 22.

Should the weather conditions being not favorable, the works will be postponed to a future date.
